

Organizational Overview

The Alaska Community Foundation (ACF) is a nonprofit, philanthropic institution with a mission to inspire the spirit of giving and connect people, organizations, and causes to strengthen Alaska's communities now and forever. As a statewide community foundation, ACF works with individual donors, families, communities, nonprofits, and corporations across Alaska to increase philanthropy and to connect people who care with causes they care about. ACF was established in 1995 and currently manages more than \$81 million in assets. Since its inception, ACF has awarded more than \$50 million in grants in Alaska.

ACF manages more than 400 philanthropic funds that have been invested at ACF by donors from across the state. These endowed and non-endowed funds span a broad range of interests including education, food and shelter, pets, workforce development, suicide prevention, the arts, the environment, community-based needs, and support for specific nonprofit organizations. ACF also manages the Pick.Click.Give. program, which helps to promote grassroots giving within Alaska.

Affiliate Program Summary

The Affiliate Program is at the heart of ACF and core to its mission. Through the Affiliate Program, ACF currently supports ten communities across Alaska to build localized philanthropy. ACF empowers local groups of dedicated volunteer advisors to grow their community's endowments to support statewide nonprofits and charitable projects, now and forever. Local Affiliate Advisory Boards encourage their communities to invest in themselves to build stronger and more vibrant lives for their residents. As a result, ACF and its Affiliates increase individual philanthropy among Alaskans, encourage local leadership to identify community issues and invest in solutions, and grow permanent charitable assets in communities across Alaska to sustain nonprofits. ACF's goal is to grow the program to 15 communities in the next four years.

ACF currently has two full-time staff and ten part-time staff (one Program Manager in each local Affiliate community) dedicated to supporting the Affiliate Program. Staff collaborate and respond to requests within a reasonable time frame, and accommodate urgent requests whenever possible.
